OMAG-35-Ndw	white	35	35	9	27	11	two-pole	5 pieces

Equipped with a plastic coating and a powerful neodymium magnet, our coloured office magnets offer a secure holder and are ideal for anyone who needs extra adhesive force. Not only suitable for office organisation, but also perfect for presentations, flipcharts or whiteboards. Our classic organisation magnets are extremely versatile and offer optimal solutions.

As an alternative to the standard version, we also offer individual solutions:

- " Plastic housing in special colours
- " Individually printable

* The forces have been determined at room temperature on a polished plate made of steel (S235JR according to DIN 10 025) with a thickness of 10 mm (1kg~10N). A deviation of up to -10% from the specified value is possible in exceptional cases. In general, the value is exceeded. The type of application (installation situation, temperatures, counter anchors, etc.) sometimes influence the forces enormously. The values given are for orientation purposes. Let our experts advise you.
